

GALAXY® XTREME R

XTREME FLOORING...

FOR **XTREME** ATHLETES

The leader in recycled rubber flooring has devised a whole new way to outfit your facility. Galaxy XTreme R is a dual layer, field laminated rubber floor with a dual personality. Its thick, unique composite structure is highly durable with outstanding wear resistance. And its revolutionary proprietary inner layer gives this monster of a product an XTremely durable quality. XTreme's beauty is its brilliant color and cushioned comfort, offering a safe, secure solution for tough environments. Galaxy XTreme R comes in a variety of standard color and logo options, with custom colors and designs available to spec as well.
